Welcome

Olive Blue Catering is committed to making your event a success. Our team of catering professionals is available to assist you with planning every aspect of your event. Our culinary team has designed a variety of menus to fit a wide range of tastes and budgets, including regional ingredients, university favorites and specialty items. Should you desire a customized menu for your event, we will be happy to meet with you to create a special menu for your specific needs. Our goal is to provide you with the freshest selections of food items, beautifully displayed, served professionally by our highly trained staff.

This guide has been designed to step you through the planning process for a catered event. Should you require additional assistance, please contact us at 504.865.5254, or email us at catering@tulane.edu.

Planning Your Special Event

We pride ourselves in being able to meet everyone's catering needs. The following steps will help you through the process of organizing your special function.

Arranging and Reserving a Date

Even if the date of the event is only tentative, please make arrangements with the catering department so that we can at least get you on our records. You may contact the catering department at 504.865.5254 as well as through our email or website at catering@tulane.edu and www.diningservices.tulane.edu/catering or stop by the catering office located: Dining Services Office Suite 217, Lavin-Bernick Center for University Life. Some arrangements can be made by phone or email, others require an appointment with the Catering Sales Coordinator. The office hours are Monday through Friday, 8:30am - 4:30pm.

Catering arrangements and menu selections should be confirmed at least

- 10 days in advance for groups under 100 guests
- 2 weeks in advance for groups of 100 guests or more
- No less than 72 hours in advance for all other events

While we can sometimes accommodate your needs with less lead time, sufficient notice allows us to schedule production and staffing needs, and eliminate any late charges to you.

After we have finalized all the details of your event, you will receive an event order form to confirm your arrangements. Please carefully review all information on this event order form for accuracy and completeness before signing. Make any necessary changes, sign and return 7 business days in advance via fax to 504.865.6733. Please call the office to confirm receipt of your fax.

Reserving the Room

On campus or off, the location needs to be reserved before we can deliver. To reserve rooms in the Lavin-Bernick Center for University Life, please contact the Office of Administration and Reservations at 504.865.5196. When reserving the time, please allow three hours for setup and two hours for cleaning time. Requests for room setups including tables, chairs, trashcans and other equipment should be made at this time.

Planning Your Special Event

Changes/Guarantees/Cancellations

All cancellations and/or changes referring to the menu, count, and event arrangements must be confirmed 3 business days prior to the event. Functions canceled with less than 3 business days notice will incur a charge. If the university is closed due to inclement weather, all catered events will be automatically cancelled. Any event that is not cancelled within 3 business days will result in a charge of 50% of the total bill. If you do not contact us with a final count within 3 business days prior to the event, we will prepare for the estimated number and charge accordingly.

Operations

Services and prices are for normal business days in accordance with the university calendar. Events scheduled on university holidays, Sunday's or shut down periods may incur an additional labor charge.

Payment

All catered functions must have a secured payment before they occur. Visa, MasterCard, Tulane Purchasing Card, cash or check are all valid payment methods. Non-university related groups are required to pre-pay for their event, in full, no less than 3 business days in advance. Non-University groups are subject to sales tax of 9.5% for all food events. Tax exempt organizations are required to submit a copy of their exemption certificate prior to their event's date.

Minimum Charges

There will be a minimum order of \$50 for all weekday events (Monday - Friday) and \$150 for weekend events (Saturday - Sunday). Arrangements for orders less than the minimum amount can be made if they are picked up during office hours.

Our Catering Department provides full china service for all events in the Lavin-Bernick Center. We also offer china and linen service for any event outside the Lavin-Bernick Center at an additional charge.

Linen

As a standard, we provide tablecloths and table skirting for all food and beverage tables. Linen for guests tables are only included with full service plated breakfasts, lunches, dinners and buffets. Linens for guest tables at receptions, continental breakfast breaks, and boxed lunches can be provided at an additional charge. The same applies to registration tables, nametags, head tables and any additional tables that will not be directly used for food and beverage set up.

Other linen colors, depending on availability, may be placed as special orders. Specialty linens are also available for your food and guest tables for an additional cost.

Planning Your Special Event

Late Charges

If you contact the catering office less than 3 business days in advance and we are able to book your event, a surcharge of \$25 will apply. This surcharge is necessary due to the additional cost of planning for last minute events.

Catering Equipment

As host of the event, you are responsible for the equipment we have provided for the service of your catered event. Any missing or damaged catering equipment or supplies will be charged to your account at full replacement cost. In the occurrence of a very large event, specialty equipment may need to be rented. We can provide this for you at an additional charge.

Floral Charges

We will be happy to order, receive and handle specific floral and decorative requests for an additional fee determined in accordance with your specific needs.

Sustainable and Organic Menus

Our culinary staff is happy to produce a sustainable and/or organic menu for your event. We can create fresh and healthy meals using local products that are free of pesticides, hormones and antibiotics. Some items may be limited based on availability. Please plan on paying an additional 40% per person.

Food Safety

Due to food safety liability, guests may not remove food from the function site.
